## **Access Statement for Mead Open Farm Ltd**

### **Introduction**

Mead Open Farm is situated in the stunning countryside within half a mile of Billington, near Leighton Buzzard. The public attraction is dedicated to providing a safe, fun and stimulating environment for families and groups. Mead Open Farm aims to attract a wide range of visitors including members of the disabled community. The attraction is continuing to improve its facilities to welcome members of all abilities and we strongly believe in maintaining high standards of customer care and visitor enjoyment.

Mead Open Farm has a variety of activities including animal barns, petting areas, grass paddocks, shop, picnic areas, the Sky Trail, Crazy Golf, outdoor play areas, and an indoor cafe and soft play zone. The attraction also brings in extra activities for various seasonal events throughout the year including Halloween Haunts with actors and Christmas Grotto. All activities are on ground floor level and members of staff are always available on site for assistance if needed.

Mead Open Farm is a member of the Visitor Attraction Quality Assurance Scheme. The attraction is designed to encourage wheelchair users and is therefore built on flat land with the majority of our paths and activities being accessible by wheelchair. All of our

animal activities, cafe and shop can be easily accessible by wheelchair; however, due to the physical nature of the Sky Trail and outdoor play areas these would likely be unsuitable.

We look forward to welcoming you. If you have any queries or require any assistance please phone 01525 852 954 or email [info@meadopenfarm.co.uk](mailto:info@meadopenfarm.co.uk).

## **Pre-Arrival**

- The best way to reach Mead Open Farm is by car. For full details and maps of how to reach us please see the directions section of our website. Unfortunately, due to the isolated location of Mead Open Farm, public bus services do not run to and from the attraction.
- The nearest train station is Leighton Buzzard which is 4 miles away. Taxi services are available from the station, see contact details if you wish to book a taxi in advance.
- The road leading up to the farm does not have any footpaths, therefore, may be a difficult route for walkers. At present, we do not have the facilities to provide hire out equipment that specifically meets the needs of those with visual or hearing

impairments. However, large print guides can be made available on request.

## **Car Parking and Arrival**

- Free parking is available on site and we currently have 6 spaces available for blue badge holders. These spaces are within 20 metres of the main entrance and on a flat tarmac surface. The rest of the car park is on level concrete terrain with light gravel in some parts and is well lit at night.
- People can be dropped off right in front of the main entrance where there is concrete flooring with no kerbs or steps.
- The entrance has a light manual door with an opening width of 800mm/31 inches. A handrail is provided on entry to the ticketing office with a gentle ramp and a path width that is made accessible for wheelchair users.

## **Main Entrance, Reception and Ticketing Area**

- The main entrance and ticket area is situated on the ground floor with hardwood level flooring and step free access.
- There is no seating in the main entrance.
- The area is lit with fluorescent lights.
- There is no low desk or glass screens, however, the low height of the desk makes it easy to serve wheelchair users.

- There is no hearing loop system installed. However, our staff can provide a pad and paper and magnifying glass on request.
- There is a discount for carers.

### **Attraction (displays, exhibits, rides etc.)**

- The main forms of interpretation are informative animal signage around the barns and the paddocks. These signs have a large visible white font or pink font on a pink or blue background. Some pictograms are used where applicable.
- There are also animal activity entertainers who provide animal demonstrations using a microphone. In some of the special seasonal events, there are actors for Halloween and Christmas who provide stories and entertainment.
- Currently we do not provide translations or Braille.
- Some of the special Halloween events do use flashing lights and have claustrophobic spaces.
- The attraction provides many seating opportunities indoors and outdoors, in the form of wooden or plastic picnic benches.
- All doors have a width of 800mm and are light manual doors or gates, all foot paths and barn flooring are hard level concrete with some lawn covered areas in the paddocks.
- All of our barns and indoor areas have suitable lighting.

### **Public Toilets**

- Public toilets are located in the indoor play barn by the cafe and the main block next to the shop and main entrance and exit: all toilets have level access and all are situated on ground level.
- There is a unisex baby changing and accessible toilet located in the main shop and in the indoor play barn. These toilets are never locked and have no steps or ramps. The measurements of these toilets are as follows:
  - A light easy open manual door 900mm/35.5ins wide.

- The toilet height is 400mm/15.7ins and the gap to the left is 800mm.
- There are horizontal and vertical rails either side of the both basin and toilet.
- The sink is 680mm in height with push-on taps.
- There is fluorescent lighting and lino flooring
- There is no emergency system
